

Spring Sessions

Sunday 1st March 2026 - Sunday 31st May 2026

Portobello Baptist Church Hall
187 Portobello High Street, Edinburgh

Meet with some of Portobello's senior residents and entertain them while they have lunch. Before you look out your Vera Lynn songbooks, it is worth remembering that the members are of the generation that invented cannabis and booed Bob Dylan off the stage when he played an electric guitar. The same people that ran around starkers at Woodstock and remember trips to the moon when the toilets worked. Our programme will include a piece by Pink Floyd.
